Moderated in your language by a facilitator in your region. Collective discussions about the needs and challenges in your region. See page 2

Registration: [SESSION #3](#)

Break out room discussions:

1. What is your personal experience on the topic of food waste?

2. Which hurdles have to be overcome? What specific problems in the current food system require social innovation?

3. What could an idealised food system of the future look like that is characterised by social innovation? What steps are necessary to realise this vision?
